## Alum Spotlight

### Sarah Kim

QUADS Alum,  
Maloney  
High School

Currently Attending: Princeton University

*Favorite QUADS Memory:* Presenting during QSE because it made her step out of her comfort zone

*Advice to QUADS Students:* Take advantage of every opportunity that's available to you, whether it's a scholarship program or college courses.

## Academic Spotlight

# QUAD Pod Spotlights

### Maloney High School

**Josh Kim** and **Aliyah Silva** were elected for class officer positions. **Aliyah** is the sophomore class president and **Josh** is the treasurer!

### Hamden High School

**Makayla Furlow** performed at the Cellar on Treadwell St. for Tri-M Music Honor Society and received a patch for her 1 year anniversary!

### Lincoln Middle School

**Rome Biernat** has joined QUADS recommended by their brother Holden, a QUADS alum!

### East Haven High School

**QUAD Pod Students** at East Haven High School are working incredibly hard and we are so excited to see your projects!

### Platt High School

**Gloria King** shows up everyday, does the work, and makes art that stops you mid-sentence. Her QUADS project focuses on making the Green a cleaner, more beautiful place for everyone to enjoy. We're so grateful she's a part of QUADS!

## UPCOMING EVENTS

### \* QUADS Summer Experience June 17 - 19, and June 22-23

\*Mandatory attendance

Spend a full week at Quinnipiac University focused on community-building and skill-strengthening

### \* Sleeping Giant Hike June 17, 2026

We will be hiking the **first** day of QSE! Please wear appropriate shoes and bring water.

### \* QUADS Community Event June 23, 2026, 12-2pm

We invite family and other loved ones to our Community Event on the last day of QSE! Students will share their final projects. (Details on Page 2)

## Are you registered for QSE?

Use the QR code to register by **June 3rd!**

If you have any questions or want to send your health forms by email, contact **quads@qu.edu**

## Mentor Spotlight

"QUADS reminds us that the impact we have on others often continues far beyond what we can see. And sometimes, if you are lucky, we get to witness it."
